

NEW FILM AVAILABLE!

Pathways

to Language and Communication

ONLY
\$15!

BEGINNINGS for Parents of Children Who Are Deaf or Hard of Hearing, Inc., announces the availability of a new film, "Pathways to Language and Communication," for parents and professionals who work with children with hearing loss.

The 35-minute film explains the process of speech and language development in children with typical hearing, guides parents through the decision making process as they develop goals for their own child's communication, and shows families and individuals using various methods of communication.

A new brochure, "Communication Approaches," will accompany each film. The film has options for English and Spanish language viewing. It can be purchased for only \$15 through the Web site, www.ncbegin.org.
